(the "**Company**") for use at the Annual General Meeting of the Company's shareholders (the "**Meeting**") to be held on **Wednesday, July 25, 2018** at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company. All costs of this solicitation will be borne by the Company.

DATE AND CURRENCY

The date of this Information Circular is June 18, 2018. Unless otherwise stated, all amounts herein are in Canadian dollars.

GENERAL PROXY INFORMATION

Management Solicitation

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxies

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of **June 18, 2018** (the

“**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Computershare Investor Services Inc. (the “**Transfer Agent**”) at their offices located at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing:

- (a) executed by that shareholder or by that shareholder’s attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and
- (b) delivered either:
 - (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or

- (ii) to the chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
- (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either:

- (a) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or
- (b) submission of a subsequent proxy in accordance with the foregoing procedures.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Proxies and Exercise of Discretion

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent,

Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 by delivery, by phone at 1-866-734-8683 (toll free) or online at www.investorvote.com.

In all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Common Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Common Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Common Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder

and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Common Shares.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934, as amended*, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, executive officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors, the appointment of auditors or the approval of the Company's stock option plan (the "**Stock Option Plan**"), as such persons are eligible to participate in the Stock Option Plan.

For the purposes of the above, "order" means:

STATEMENT OF EXECUTIVE COMPENSATION

Named Executive Officer

In this section, “Named Executive Officer” (“**NEO**”) means each of the following individuals:

- (a) a Chief Executive Officer (“**CEO**”);
- (b) a Chief Financial Officer (“**CFO**”);
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at December 31, 2017.

Patrick Groening, CFO, Robert Sierd Eriks, President and Chief Geologist, and Former Interim President and CEO, Warren Stanyer, CEO, and Mark Lackey, former President and CEO, are each an NEO of the Company for the purposes of the following disclosure.

The following disclosure sets out the compensation that the Board intended to pay, make payable, award, grant, give or otherwise provide to each NEO and director for the financial year ended December 31, 2017.

Compensation and Discussion Analysis

The compensation committee does not have a formal process for reviewing compensation of the directors and senior officers, and reviews of compensation are conducted on a periodic basis.

The compensation committee deals with executive compensation matters. The compensation committee regularly considers the implications of the risks associated with the Company’s

compensation program and how it might mitigate those risks. The Company does not currently believe there are any risks arising from compensation policies and practices that are reasonably likely to have an adverse effect on the Company.

The Company did not retain any compensation consultants during the financial year ended December 31, 2017.

The Company's compensation programs are designed to recognize and reward executive performance consistent with the success of the Company's business. These policies and programs are intended to attract and retain capable and experienced people. The philosophy of the Board and the compensation committee is to ensure that the Company's compensation goals and objectives, as applied to the actual compensation paid to the Company's CEO and other executive officers, are aligned with the Company's overall business objectives and with shareholder interests.

The compensation committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-range interests of the Company and its shareholders, overall financial and operating performance of the Company and the compensation committee's assessment of each executive's individual performance and contribution toward meeting corporate objectives.

Report on Executive Compensation

The compensation committee assumes responsibility for reviewing and monitoring the long-range compensation strategy for the senior management of the Company. The compensation committee determines the type and amount of compensation for the President and CEO. The compensation committee also reviews the compensation of the Company's senior executives.

Philosophy and Objectives

The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining qualified executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company employs a combination of salary and equity participation through its share option plan.

Elements of the Compensation Program for the Fiscal Year 2017

The significant elements of compensation awarded during the financial year ended December 31, 2017 to the NEOs was paid in cash. The Company does not presently have a long-term incentive plan for its NEOs. There is no policy or target regarding allocation between cash and non-cash elements of the Company's compensation program. The compensation committee reviews periodically the total compensation package of each of the Company's executive officers on an individual basis, and makes recommendations for the individual components of its compensation.

Cash Salary

As a general rule, the Company seeks to offer its NEOs a compensation package that is in line with that offered by other companies in our industry, and as an immediate means of rewarding the NEO for efforts expended on behalf of the Company.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company's share option plan. Options to purchase Common Shares are granted to senior executives taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. Options that vest on terms established by the Board are generally granted to senior executives of the Company.

Option-Based Awards

The Company has in place a share option plan, most recently approved by shareholders on July 25, 2017 (the "**Plan**"). The Plan has been established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the Board. The Plan provides that options will be issued pursuant to option agreements to directors, officers, employees or consultants of the Company or a subsidiary of the Company. All options expire on a date not later than 10 years after the issuance of such option. Previous grants of option-based awards are taken into account when considering new grants of options. Subject to the requirements of the policies of the TSXV and the prior receipt of any necessary regulatory approval, the Board may, in its absolute discretion, amend or modify the Plan or any outstanding option granted under the Plan, as to the provisions set out in the Plan. There are currently options outstanding to purchase an aggregate of 5,950,000 Common Shares.

The Plan is also intended to emphasize management's commitment to the growth of the Company and the enhancements of shareholders' equity through, for example, improvements in its resource base and share price increments.

The Company relies on discussions of the Board without any formal objectives in granting options, other than management's consideration of the NEO's duties and responsibilities, the NEO's execution of such duties, and the impact of stock options on the total compensation package as envisioned by the Board for each of the NEOs. In view of the current situation wherein the Company is not in a position to pay cash salaries commensurate with the NEO's positions in comparison with industry standards, the Board generally relies on stock options to design an equitable compensation package.

Given the evolving nature of the Company's business, the Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

At least annually, the Board reviews the grant of stock options to management and employees. The Board approves base salaries and stock options at the same time to facilitate consideration of target direct compensation to executive officers. Additional options may be granted as options are replenished within the Plan. Options are granted at other times of the year to individuals commencing employment with the Company. The exercise price for the options is set in accordance with the policies of the TSXV.

Perquisites and Other Personal Benefits

The Company's NEOs are not generally entitled to significant perquisites or other personal benefits not offered other employees to the Company.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Stock Option Plan

TSXV policies require the Company to implement an incentive stock option plan every year. Accordingly, the Company proposes to implement the Stock Option Plan for insiders, employees, and other service providers to the Company.

The Stock Option Plan will reserve 10% of the issued and outstanding Common Shares of the Company for incentive stock option grants under the plan to qualifying persons. In addition, the Stock Option Plan will limit the number of stock options which may be granted to any one individual to not more than 5% of the total issued shares of the Company in any 12 month period. The number of options granted to any one consultant, or a person employed to provide investor relations activities, in any 12 month period must not exceed 2% of the total issued shares of the Company. All existing stock options previously granted will be deemed to be incorporated into the Stock Option Plan. Any new stock options granted under the plan may be subject to such vesting provisions as determined by the Board. Shareholders are referred to the Stock Option Plan, a copy of which may be obtained by contacting the Company.

The Stock Option Plan must be approved by a majority of the shareholders entitled to vote present in person or by proxy at the Meeting, and be accepted for filing by the TSXV. In the event such shareholder approval is not obtained, the Company will not proceed with the Stock Option Plan.

Shareholder Approval

In order to exercise stock options granted under the Stock Option Plan, the Stock Option Plan must first be accepted by the Exchange. In order to obtain Exchange acceptance, the Exchange requires that “rolling” stock option plans receive shareholder approval at a company’s Annual General Meeting. For these reasons and also to ensure that the Stock Option Plan is acceptable to the Company’s shareholders, the directors of the Company will ask the shareholders to approve the Stock Option Plan at the Meeting. Accordingly, the shareholders will be asked to consider and, if thought fit, pass the following resolution.

“RESOLVED, AS AN ORDINARY RESOLUTION, THAT SUBJECT TO TSXV APPROVAL:

1. The Company’s Stock Option Plan (the “**Plan**”), approved by shareholders on July 25, 2017, is approved and confirmed, including the reserving for issuance under the Plan at any time of a maximum of 10% of the issued and outstanding common shares of the Company, subject to any amendments that may be required by the TSX Venture Exchange (“**TSXV**”).
2. The Company be authorized to abandon or terminate all or any part of the Plan if the directors of the Company deems it appropriate and in the best interests of the Company to do so;
3. The Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the Plan;
4. The Company be and is hereby, at the discretion of the board of directors (the “**Board**”), to amend the exercise price of previously granted option agreements, without further approval by the shareholders, all in accordance with the policies of the TSXV; and
5. Any one or more of the directors and officers of the Company be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commissions forms, as may be required to give effect to the true intent of this resolution.”

It is the intention of the persons named in the enclosed instrument of proxy, if not expressly directed otherwise in such instrument of proxy, to vote such proxies FOR the ordinary resolution to approve the Stock Option Plan. An ordinary resolution is a resolution passed by the disinterested shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

Management of the Company recommends that shareholders vote in favour of the above resolution.
